**From Our Hearts, Inc.** was founded in 2001 by a group of dedicated people trying to make a difference in our community. The main focus of the organization is to raise funds that will be used to provide breast cancer screening and treatment for qualified residents of the Greater Pine Island area who otherwise could not afford the care. Meetings are held the third Tuesday of the month, September through April. We are now a program of the Beacon of Hope and operate under their 501(c)3 certificate. The Beacon of Hope Case Managers will provide case management services for those in need in the greater Pine Island area. Make sure you get all the news of our fund raising events and Breast Cancer awareness activities by registering to become a Lifetime Friend of From Our Hearts. A registration fee is not required however, a donation to help offset the cost of sponsoring our activities is always appreciated.
